

Kcup Beverage Artwork Specification Sheet

Graphic Area

The colored area is where My Cup Counts can laser etched your logo and message. The etchable area is located in the colored interior area that is bordered by the pink security ring. (There is no need to allocate a color or field for the security ring in your artwork as long as you are working off of our dieline.) All graphic elements must remain inside this interior area and not extend into the security ring.

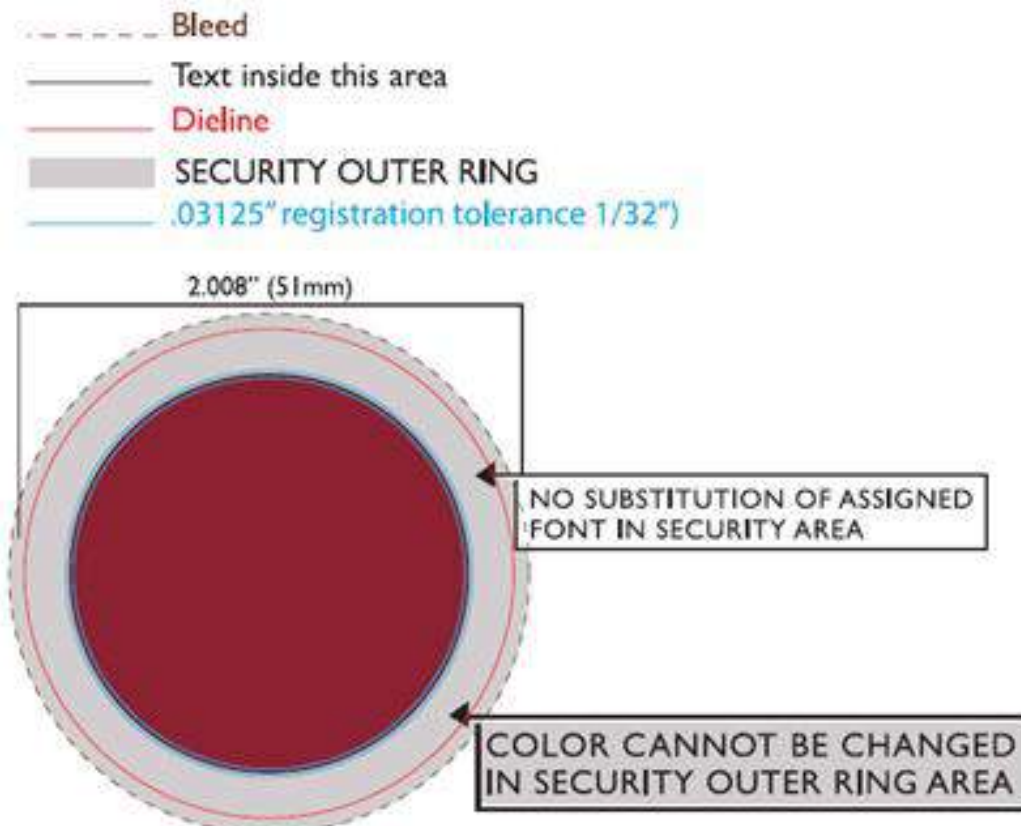

Etchable Size

The etchable area is 1.5" in Diameter.

Artwork Format

Please provide 1 color artwork in .png, or .jpg format.

DIE LINE DOES NOT PRINT.

Six Colors to Choose From
