Nationwide  
1300 Digital Screens

How It Works

- Two (2) 15" Color Touch Screen per Location
- 15,000 Monthly Impressions
- 15,000 GIMP's per facility per month
- Target consumer by Zip Code
- Customize your artwork
- Daily dwell time at each facility due to necessity of the units

**Digital Exchange units display eye catching advertisements when not in active use by the consumer. Touch screen card reader exchange unit must be used for all washers & dryer transaction in all Laundromat facilities, allowing for increase eyes on exposure.**

**Client to provide access to a platform or an app to program the Beacons.**
